WELCOME!

Hard to believe October is already here! It's been wonderful to see our Cheetah community settling into another great year and finding ways to connect and *grow together*. This month brings one of our biggest events of the year: the October 15th Cheetah Walk walk-a-thon! Fundraising is underway, and we can't wait to see our Cheetahs out walking. Families are welcome to come cheer, and there are plenty of opportunities to volunteer, too. **You'll find everything you need to know about Cheetah Walk in this issue, along with more ways to get involved this fall. Here's to a fantastic October!**

Warm Regards, Your CVE PTA Leadership
